

The Arctic Group is an independent provider of financial services with more than 220 employees and offices in Oslo, Stockholm, Houston, Rio de Janeiro and New York. Arctic Offshore International AS is a world leading rig and offshore broking and company formed in 1996, with core expertise in sale and purchase of drilling rigs, new building and other advisory services rendered to large international oil service companies. Besides rigs, Arctic Offshore is involved in procurement and chartering offshore support vessels, subsea vessels including diving and ROV vessels, production platforms as well as construction and accommodation units.

Arctic Offshore, Oslo - Rig Broking junior team member

We are looking for a talented, enthusiastic and dedicated junior team member for our Rig Broking team. You will be part of our team based in Oslo working with international clients within the offshore rig and yard sector. Your role and responsibilities will include conducting market analysis, financial modelling and analysis, and preparation of relevant documentation such as investment and pitch presentations. You will have the opportunity to work closely with the leading rig brokers in the market.

Qualifications

- Solid academic background
- Candidates straight from university or with 1-3 years relevant experience from offshore broking, investment banking, research, consulting or other relevant background
- Ambitious, strong work ethics, responsible, result oriented with a strong understanding of, and genuine interest, in the rig and offshore industry
- We value creativity, integrity and good co-operation abilities
- Proficiency in English (Norwegian language skills are required)

Arctic Offshore offers

- A non-hierarchical and competent organisation with talented and professional individuals
- Participation in high-profile transactions
- Challenging tasks in a hectic and demanding environment
- Rewarding environment with excellent career progression opportunities

For any questions please contact Andreas Elton +47 47414014. The application deadline is 8 May 2018, however all applications will be evaluated on a continuous basis. All applications should be e-mailed to professionals@arctic.com with CV and relevant letters of recommendation and academic record/transcripts of grades attached. Please aim to limit the number of attachments to one PDF document. All applications will be treated confidentially.
